Hear Kellie's story
vectren.com/conservation

"The more we save, the more we're able to focus on the things that matter most."

Kellie
Owner, Oak Hill Animal Hospital

Vectren's Conservation Connection can help you spend less time worrying about energy costs and more time focusing on your customers – just like it did for Kellie, owner of Oak Hill Animal Hospital. Visit Vectren.com to learn about a variety of rebates and programs designed to provide businesses with opportunities to save energy and money.

Peace of mind *and* savings – now that's really smart.
