

**Southern Indiana Gas and Electric Company
F.B. Culley East Ash Pond**

**Notification of Intent to Comply with the Site-Specific Alternative to Initiation of
Closure due to Alternative Capacity Infeasible**

Pursuant to the requirements of 40 CFR §257.106(i)(14), Southern Indiana Gas and Electric Company (SIGECO) is providing notification of intent to comply with the site-specific alternative closure provisions of 40 CFR §257.103(f)(1) for the F.B. Culley East Ash Pond, located near Newburgh, in Warrick County, Indiana. A No Alternative Disposal Capacity Demonstration has been placed in SIGECO's Operating Record and on the public CCR webpage (www.vectren.com/reporting/ccr).
