# LIVE SMART Solutions

## Conservation Connection

- 1) online energy audit:** pinpoints energy usage and opportunities to save based on your appliances and age of your home or business.
- 2) online bill analyzer:** allows you to perform month-to-month and year-over-year bill analysis to gauge why your monthly bills may vary.
- 3) energy efficiency education:** tips, how-to videos, etc.
- 4) natural gas appliance rebates**

## Budget Bill

Spread your estimated annual bill amount evenly over 12 months, so you can budget accordingly. Visit [www.vectren.com](http://www.vectren.com) or call 1-800-227-1376 to enroll.

## APPLIANCE REBATES

Vectren wants to help you with energy-efficient investments in your home or business with a cash rebate. Visit [www.vectren.com](http://www.vectren.com) for product details and to download the rebate form(s), or you can call Vectren's Conservation Connection hotline at 1-866-240-8476.
