

# Vectren Indiana 2018 Residential Rebate Application

Thank you for participating in Vectren's Indiana Residential Rebate Program! Refer to the information below to ensure you are eligible for program rebates and your application is complete. Please retain a copy of your completed application and all invoices for your records. Visit [vectren.com/SaveEnergy](http://vectren.com/SaveEnergy) to apply online and view complete terms and conditions.

## Need Help?

For assistance completing this application, call **1-866-240-8476** or email [SaveEnergy@vectren.com](mailto:SaveEnergy@vectren.com) to reach a Vectren Energy Efficiency Advisor.

## What You Will Need

- A copy of your itemized invoice that contains all equipment and installation information (please keep the original for your records)
- Your Vectren account number from your most recent bill
- Installing contractor information (if applicable)
- AHRI Certificate or AHRI Certificate Number for the appropriate equipment
- For self-installation, please provide a purchase receipt for equipment installed

## HOW TO APPLY FOR A REBATE

### Step 1: Determine Eligibility

#### ▪ Applicant

The property must be serviced by Vectren Energy Delivery of Indiana, Inc. ("Vectren") under an active residential account.

#### ▪ Application and Installation

The application must be postmarked within 60 days of equipment installation to be eligible for a rebate.

For new construction projects, builders must submit applications and supporting documentation within 60 days after building inspection and approval and/or issuance of a certificate of occupancy.

#### ▪ Equipment & Service

The installed equipment must be new; no refurbished equipment will be accepted. Equipment must be purchased and installed between January 1, 2018 and December 31, 2018.

Read all individual rebate qualifications carefully to ensure your product qualifies.

### Step 2: Complete Application & Attach Invoices

#### ▪ Complete Application

Unless noted otherwise, all fields must be completed on the application to receive a rebate. Incomplete applications will result in processing delays.

#### ▪ Sign Application

The application must be signed in the space provided on page 2 of the application to receive a rebate. If Instant Discount is given by the contractor, contractor's signature is also required.

#### ▪ Attach Invoice(s)

Ensure that you have attached a copy of all equipment invoices and the AHRI Certificate of Product Ratings or AHRI Certificate Number for the applicable equipment to the rebate application.

#### The invoice should include:

- » Installation address/location
- » Equipment make, model and serial number
- » Date of installation
- » Total number of units installed
- » Total project cost of the equipment
- » Instant rebate amount (if applicable) with line item detailing "Vectren Rebate Instant Discount"

### Step 3: Submit Paperwork

#### ▪ Double-check Information

Make sure the information listed on the application is correct and that you have provided all required information, invoices and certificates.

#### ▪ Submit Application

Submit your completed application along with required documentation within 60 calendar days of equipment installation in one of the following ways:

#### Mail your application to:

Vectren Energy Delivery of Indiana  
ATTN: Rebates, P.O. Box 3552,  
Evansville, IN 47734-3552

#### Email your application to:

[INrebates@vectren.com](mailto:INrebates@vectren.com)

*If you choose to email your application, be sure to include all invoices as email attachments.*

#### Fax your application to:

**1-866-741-5584**

**EQUIPMENT INFORMATION**

Only one installation address and account number can be submitted on an application. For additional account numbers, please complete separate applications.

Unit Controlled (Please ✓)		
<input type="checkbox"/> Central Air Source Heat Pump	<input type="checkbox"/> Electric Furnace with A/C	<input type="checkbox"/> Electric Furnace no A/C
<input type="checkbox"/> Gas Furnace/Boiler with A/C	<input type="checkbox"/> Gas Furnace/Boiler no A/C	

Please ✓ the requested rebate. This page may be copied for multiple units. Please print legibly.

**Wi-Fi THERMOSTAT (\$50 REBATE)**

Manufacturer/Make	Model Number	Serial Number	Date Installed

- Homes must have Vectren natural gas or Vectren electric as the primary heat source to be eligible for this rebate. Dual fuel systems are **not** eligible.
- Rebate available for existing homes only; new construction is **not** eligible. If replacing existing (non Wi-Fi) thermostat in newly constructed home, thermostat is eligible.
- Must be Wi-Fi capable without the use of additional equipment and connected to the internet for programming and adjusting remotely.
- Serial number is preferred, but not required.
- Household limit is two Wi-Fi enabled or smart thermostats.

**SMART THERMOSTAT (\$75 REBATE)**

Manufacturer/Make	Model Number	Serial Number	Date Installed

- Homes must have Vectren natural gas or Vectren electric as the primary heat source to be eligible for this rebate. Dual fuel systems are **not** eligible.
- Rebate available for existing homes only; new construction is **not** eligible. If replacing existing (Non Wi-Fi) thermostat in newly constructed home, thermostat is eligible.
- Must be Wi-Fi capable without the use of additional equipment and connected to the home.
- Must be ENERGY STAR certified smart thermostat.
- Household limit is two Wi-Fi enabled or smart thermostats.
