

Thank you for participating in Vectren's Indiana Residential Rebate Program! Refer to the information below to ensure you are eligible for program rebates and your application is complete. Please retain a copy of your completed application and all invoices for your records. Visit **Vectren.com/SaveEnergy** to apply online and view complete terms and conditions.

Need Help?

For assistance completing this application, call **1-866-240-8476** or email **SaveEnergy@centerpointenergy.com** to reach a Vectren Energy Efficiency Advisor.

What You Will Need

- A copy of your itemized invoice that contains all equipment and installation information (please keep the original for your records)
- Your Vectren account number from your most recent bill
- Installing contractor information (if applicable)
- AHRI Certificate or AHRI Certificate Number for the appropriate equipment
- For self-installation, please provide a purchase receipt for equipment installed

HOW TO APPLY FOR A REBATE

Step 1: Determine Eligibility

Applicant: The property must be serviced by Vectren Energy Delivery of Indiana, Inc. ("Vectren") under an active residential account.

Application and Installation: The application must be postmarked within 60 days of equipment installation to be eligible for a rebate.

For new construction projects, builders must submit applications and supporting documentation within 60 days after building inspection and approval and/or issuance of a certificate of occupancy.

Equipment and Service: The installed equipment must be new; no refurbished equipment will be accepted. Equipment must be purchased and installed between January 1, 2020 and December 31, 2020.

Read all individual rebate qualifications carefully to ensure your product qualifies.

Step 2: Complete Application and Attach Invoices

Complete Application: Unless noted otherwise, all fields must be completed on the application to receive a rebate. Incomplete applications will result in processing delays.

Sign Application: The application must be signed in the space provided on page 2 of the application to receive a rebate. If instant discount is given by the contractor, contractor's signature is also required.

Attach Invoice(s): Ensure that you have attached a copy of all equipment invoices and the AHRI Certificate of Product Ratings or AHRI Certificate Number for the applicable equipment to the rebate application.

The invoice should include:

- Installation address/location
- Equipment make, model and serial number
- Date of installation
- Total number of units installed
- Total project cost of the equipment
- Instant rebate amount (if applicable) with line item detailing "Vectren Rebate Instant Discount"

Step 3: Submit Paperwork

Double-check Information: Make sure the information listed on the application is correct and that you have provided all required information, invoices and certificates.

Submit Application: Submit your completed application along with required documentation within 60 calendar days of equipment installation in one of the following ways:

 **Online:**
Vectren.com/SaveEnergy

 **Email:**
INrebates@centerpointenergy.com
Please include all invoices as email attachments.

 **Mail:** Vectren Energy
Delivery of Indiana, ATTN:
Rebates, 3100 West Road,
Bldg 3, Suite 200
East Lansing, MI 48823

 **Fax:** 1-866-741-5584

Please allow up to six (6) weeks to receive your rebate. Incomplete rebate applications will cause a delay in processing.

Signatures

I hereby certify that: 1) The information contained in this application is accurate and complete; 2) All rules of this incentive application have been followed; 3) I have read and understand the Terms and Conditions found at Vectren.com/SaveEnergy. I agree to verification of equipment installation, which may include a site inspection by a program or utility representative. I understand that I am not allowed to receive more than one incentive from this program on any one piece of equipment. I hereby agree to indemnify, hold harmless and release the utility and program administrator from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages.

If, as the installing contractor, I am submitting an instant discount application, I certify that I have provided the full rebate as an instant discount to the account customer listed on this application. I have explained to the customer that the rebate he/she qualifies for has been applied as a discount off the purchase price, and he/she will not be eligible to receive a rebate for the same product(s) being submitted in the application. Submitted with this application is the required invoice clearly itemizing the amount of the rebate provided as a discount to the customer on the line item marked "Vectren Rebate Instant Discount."

Contractor signature

Date

Signature is required.

For the instant discount option, the contractor's signature is required.

Only one installation address and account number can be submitted on an application. For additional account numbers, please complete separate applications.

Please the requested rebate. This page may be copied for multiple units. Please print legibly.

BOILER

Equipment specifications

≥90% AFUE \$300 rebate

Manufacturer	Model number	Serial number	Date installed
--------------	--------------	---------------	----------------

- Homes must have Vectren natural gas as the primary heat source to be eligible for this rebate.
- Input capacity must be <300 MBTUH

FURNACE

Equipment specifications (please)

≥95% AFUE \$250 rebate

Manufacturer	Model number	Serial number	Date installed
--------------	--------------	---------------	----------------

- Homes must have Vectren natural gas as the primary heat source to be eligible for this rebate.
- Furnace must be primary heat source for home's living space and be a sealed combustion unit.
- Systems supplementing gas space heating with an air source, dual-fuel or geothermal heat pump are not eligible.

FURNACE TUNE-UP

Customer must not be on an existing preventative maintenance contract.

\$25 rebate

Manufacturer	Model number	Serial number	Date tuned-up
--------------	--------------	---------------	---------------

- Rebate is available once every 24 months.
- Rebate available to customers who have preventative service completed by a qualified HVAC contractor.
- **Tune-up must include the following:** ensure thermostat working properly (pre and post); clean safety controls (adjust as needed); clean burners and controls; clean pilot assembly and ensure proper function; adjust burner for efficiency; ensure belts, filter and flue are clean/intact with no blockages; lubricate any moving parts; verify no gas leaks present; ensure dampers are on heating position; check overall performance and efficiency of system.

THERMOSTATS
