## What You Will Need

- Home Builder information

### HOW TO APPLY FOR A REBATE

#### Step 1:

#### Sign up as a Participating Builder

##### Builder Information

Builders only have to complete the Builder Participation Form one time. The form will remain on file for the entire program year.

You can send this form along with the Part 2 application paperwork for your first home rebate or send it ahead of time and we will be ready and waiting for your first application.

Builders must submit a completed W-9 form prior to requesting rebates.

#### Step 2:

#### Build an Energy-Efficient Home

##### HERS Certification

The HERS rating must have been completed by a RESNET® certified HERS Rater. The Part 2 application must be postmarked within 90 calendar days of HERS certification.

##### Active Service

The property must be serviced by Vectren Energy Delivery of Indiana, Inc. ("Vectren") under an active residential account.

#### Step 3:

#### Submit Part 2 Paperwork

##### Double-check Information

When you've finished a project, send us the home info and a copy of the HERS certificate. Qualifying Vectren Indiana homes with a HERS Index Score of 63 or lower will receive a rebate.

##### Submit Application

Submit the completed application and a copy of the HERS certificate within 90 calendar days of certification in one of the following ways:

### What You Will Need

- A copy of the Home Energy Rating System (HERS) certificate (please keep the original for your records)
- Your Vectren account number
- Part 1—Builder Participation Form

## HOW TO APPLY FOR A REBATE

### Step 1: Determine Eligibility

#### Applicant

The property must be serviced by Vectren Energy Delivery of Indiana, Inc. ("Vectren") under an active residential account.

New single-family homes, duplexes, and end-unit townhomes where only one wall is shared are eligible for rebates.

Only one account number can be submitted on an application. For additional account numbers, please complete a separate application.

Participation must occur between January 1, 2020 and December 31, 2020.

By requesting a Vectren Residential New Construction Program rebate, participants are not eligible for rebates on qualifying equipment through Vectren's Residential Rebate Program.

HERS certification—The HERS rating must have been completed by a RESNET® certified HERS Rater. The application must be postmarked within 90 calendar days of HERS certification.

### Step 2: Complete Application and Attach Certificate

#### Complete Application

Unless noted otherwise, all fields must be completed on the application to receive a rebate. Incomplete applications will not be processed.

#### Sign Application

The application must be signed in the space provided on page 2 of the application to receive a rebate.

#### Attach HERS Certificate

Ensure that you have attached a copy of the HERS certificate to the application.

### Step 3: Submit Paperwork

#### Double-check Information

Make sure the information listed on the application is correct and that you have provided all required information and documentation. If you have not already submitted the Part 1 form, include that with your Part 2 paperwork.

#### Submit Application

Submit the completed application and a copy of the HERS certificate within 90 calendar days of certification in one of the following ways:

#### Email:

[INrebates@centerpointenergy.com](mailto:INrebates@centerpointenergy.com)  
Please include all invoices as email attachments.

**Mail:** Vectren Energy
