

Turn On Your Vectren Natural Gas Meter By December 31, 2017 & Automatically Be Entered To Win

New Natural Gas Customers in Whitestown: Turn on your Vectren natural gas meter between September 1, 2017 and December 31, 2017 and be automatically placed in a drawing to win one of 5 prizes, including:

1. (1) \$250 VISA gift card
2. 4 tickets to the Pacers vs. Orlando Magic game on January, 27, 2018 (two winners will be selected; each winner receives 4 tickets)
3. (2) \$100 VISA gift cards.

Winners will be drawn on January 5, 2018 and contacted by Vectren Energy Delivery in the order they are drawn. Winners will have the chance to pick or turn down their prize based upon availability. In the chance a prize is turned down, another winner will be drawn and contacted. All award winners will be announced on Friday, January 12, 2018 on your local Whitestown Facebook page. (<https://www.facebook.com/Town-of-Whitestown-1452827331678142/>).

Depending on your fuel type, a natural gas home could have saved you as much as \$940 on heating costs alone this winter. By making the switch to comfortable, affordable natural gas, you'll find year-over-year savings that will make you wonder why you didn't convert your home even sooner. If you're interested in converting to natural gas, please call 1-800-990-1930 to learn more or enter your formal service request. Once you have your service line installed up to your home or business and you have made sure your home or business is ready to accommodate natural gas, please call 1-800-990-1930 again to set and turn on your Vectren natural gas meter.

Official Contest Rules

Eligibility

This contest is open to new residential and commercial natural gas customers of Vectren Energy Delivery who turn on their Vectren natural gas meter between September 1, 2017 and December 31, 2017. Winners must be located within the Whitestown Rural Expansion boundaries approved by the Indiana Utility Regulatory Commission (map is located on last page of Official Rules and Regulations for this Turn on Your Vectren Natural Gas Meter Contest) and have an active Vectren Energy Delivery account. The primary account holder must reside at the service address on the account to be eligible to win. If your meter is turned off by Vectren within the contest timeframe, for working purposes, you will still be eligible with no out of pocket expense. If your meter is turned off by customer request within the contest timeframe, you will still be eligible, but you will be subject to Vectren's reconnect fees stated in our Indiana Gas Tariff under Appendix C Other Charges (see www.vectren.com/information/rates for additional rate information).

If you need help determining if you are in these contest boundaries, please call 1-800-990-1930 and speak with a New Service Representative to determine your location and any additional steps that need to be taken.

Neither employees of Vectren Corporation, its affiliates and subsidiaries nor their immediate family members, including all those living in the same household as employees, are eligible to win.

How to Enter

Residential and Commercial Natural Gas customers

You will automatically be entered into the drawing once you are a customer of Vectren Energy Delivery. Customers are defined to have an active account number with Vectren with an active meter. An active meter is defined to be entered into our billing system and will show up on our meter report on Tuesday, January 2, 2018. We will not be counting meters set or turned on after December 31, 2017.

Random Drawing

A random drawing will decide 5 lucky winners to pick 1 of 5 prizes on January 5, 2018. Winners will be contacted by Vectren Energy Delivery in the order they are drawn. Winners will have the chance to pick or turn down their prize based upon availability. In the chance a prize is turned down, another winner will be drawn and contacted and the cycle will continue.

The drawing will include all Vectren Energy Delivery customers who turn on a meter within the Whitestown Rural Expansion Boundaries from September 1, 2017 - December 31, 2017.

The drawing will be conducted by Vectren Energy Delivery whose decisions are final on all matters relating to this offer. Odds of being selected as a winner in the drawing will depend upon how many customers turn on a meter at their home or business. There may only be one entry per home/business within our Whitestown Rural Expansion boundaries. If you own more than one residence within these boundaries, you will automatically be entered for each location by turning on your meter within our contest timeframe of September 1, 2017 through December 31, 2017. Winners will be notified by Vectren Energy Delivery by phone and email provided in their account information. After the winner has been notified, Vectren Energy Delivery will verify that they meet all the qualification criteria before they are officially awarded.

This contest is subject to local laws and regulations.

Prizes

Vectren Energy Delivery will award 5 different prizes – (1) \$250 VISA Gift Card, (2) 4 tickets to the Pacers vs. Orlando Magic game on January, 27, 2018, and (2) \$100 VISA gift cards. Winners will be drawn on January 5th and contacted by Vectren in the order they are drawn. Winners will have the chance to pick or turn down their prize based upon availability. In the chance a prize is turned down, another winner will be drawn and contacted. The winner will be notified by phone and/or email found under their account information.

Winners

For the name of the winners, available after February 1, 2018, send a separate, stamped, self-addressed #10 envelope to: Vectren Energy Delivery, Attention Sales and Marketing – Whitestown Active Meter Contest Winner, One Vectren Square, Evansville, IN, 47708.
